commercial property team

DEVON

The Stephens & Scown Commercial Property Team in Devon is well-respected both regionally and nationally, and is part of the largest law firm with offices in Devon and Cornwall. Our clients range from large corporates to individuals and encompass developers, investors, landowners and tenants.

Our team has built its reputation on involvement in major commercial, residential, leisure, mineral and waste disposal development projects all over the UK.

Areas we cover include:

- Agriculture
- Banking
- Commercial property development and funding
- Environment
- Insolvency and business rescue
- Landlord and tenant
- Licensing and leisure
- Minerals and mining
- Waste disposal
- Planning
- Residential development
- Affordable housing development
- Telecommunications and masts
- Tourism and leisure

“Stephens and Scown have acted for Aggregate Industries for over 20 years which in itself is an indicator of the excellent service that they provide. What makes that relationship work is people. Robert has worked with us for many years and provides us with the levels of service required in a fast moving business. We have a very active programme and have a large volume of property related work. We enjoy a close working relationship with Robert and can rely on him to provide solutions to complex transactions within tight timeframes.”

Jeremy Murfitt, Aggregate Industries

“Jonathan Hoggett is skilled and precise, with a good memory, attributes which earn clients’ trust.”
